Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Wednesday 16 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry with some brightness, patchy rain in south tonight.

This Evening and Tonight:
Many areas will be dry with clear periods and some patchy cloud. Cloudier across the south with the chance of some occasional light rain in the evening, but clear spells spreading into the southwest. Chilly in some northern glens.

Thursday:
Mostly dry with some sunny periods, a few well scattered showers in the west. Cloudier across the far southeast early morning.

Outlook for Friday to Sunday:
Mostly dry on Friday and Saturday, isolated showers in the west. Cloudier weather with some rain may move north on Sunday. Some rather cool nights.
